Annual Report

Meredith, New Hampshire

Meredith Village in the Early 1900's

1972

We are most grateful for the loan of the picture on the cover by Mr. Jesse Allen. Looking down Main Street on the left is first the James Wilcox building which is the site of the Municipal Building. Next to it is the Hawkins Building which was rebuilt and became the Key Theatre Building. The next building has not changed materially and is owned by the Waldron family. At the foot of the street is the Beede Block, now owned by the Douglas Hansons.

Looking down the right hand side of the street, the first building is the Algonquin Inn, now the site of the Meredith Fruit Store. The next building was owned by Mrs. Solomon Lovejoy, and now houses the Guy U. Horne Agency. The third building is the Odd Fellow's Block, and the fourth is the Linen Mill Boarding house, which has been removed. The last on the right is the present Horne Block.

Report of Selectmen and Town Manager

The Board of Selectmen and Town Manager are pleased to submit this Annual Town Report to our residents and property owners. We have dedicated this report to the late Albert Sprague, a man who was well known throughout the Town of Meredith for his many years as Chief of the Fire Department and meeting the trains with his taxi service. Albert Sprague was a most loyal and dedicated citizen of our community.

We believe you may be interested in some of the accomplishments for 1972. This report will serve to introduce records of Town Meetings held during the year, followed by the list of Articles to be voted on at the Annual Town Meeting and the Budget for 1973. The remainder of the report is made up of financial statements, various detailed reports and vital statistics.

We hope you will bring this report with you to Town Meeting and use it for reference. It also might be found useful throughout the year with the updated emergency information on the back cover.

The first phase of the sewer extension on Oak Street Extension has been completed, and several buildings are being served by it, including the Winnepesaukee Cruiser Sales at the extreme southerly end of the extension.

Radio equipment has been installed in our communications center, keeping our Police Department in contact with State and County law enforcement agencies.

We obtained a new street sweeper soon after Town Meeting which did an outstanding job of keeping our Town clean from the time it arrived until snow fell.

A new shopping center was completed on Route 25 which is being served with sewer and water connections.

More fire alerting devices were purchased and installed in homes of firemen for better emergency communications.

A new contract for ambulance service was executed with Kemp-Symonds for a period of two years.

There have been improvements in our assessing procedures and tax records, all of which contribute to a better tax base; however as a result of the experience and research involved in maintaining a complete and equitable tax base, the Board recommends that a full-time assessor be employed since it rarely happens that a Selectmen has the opportunity to carry out the necessary assessing work in a Town such as Meredith where status and ownership of property is changing so rapidly.

During the past year, one member of the Board of Selectmen has probably spent more than an average of forty hours a week working on tax records; assessing property which the State appraisers do not handle, such as boats, mobile homes and minor construction; doing the preparatory work of assembling data and identifying property to be appraised by the State Tax Commission; checking those appraisals; and in ensuring that they are properly picked up in our tax records and on the tax

warrant. The thoroughness with which these many tasks are done vitally effects the fairness of our taxes and the size of our tax rate. It is felt that the savings in not having to employ personnel from the State Tax Commission in placing values on subdivisions and new property together with keeping a more complete inventory of taxable property would go far toward offsetting the salary of an assessor.

Looking ahead, we expect the increase in activity to continue as more people move to our area. Once again, we are asking the voters to consider acquiring and demolishing the old theatre building for future expansion of Municipal facilities, parking and eliminating a potential fire hazard.

We are seeking authorization to acquire and remove the Bechard house on Winnepesaukee Street to enhance the appearance of Scenic Park.

Authorization is also requested to acquire a green area for a public park situated on the westerly side of Waukegan Avenue and bordering on Waukegan Lake. Such a park is needed and opportunities of acquiring a suitable site are rare.

We are very much aware of the fact that our highways badly need attention and wish to have the sum of \$50,000.00 of our Revenue Sharing Funds allocated to an accelerated road improvement program. This amount, together, with our Highway Subsidy funds from the State in the amount of \$24,499.20 should help us accomplish some of the improvements in the condition of our highways which have been needed for some time.

It is estimated that the demand for services and related problems increase at the rate of about five percent per year which is closely in line with the growth of the Town. In order to administer the problem of this growth, the Board of Selectmen are of the opinion that engineering services are vital and necessary. This can be done by hiring engineering services whenever a need arises or we can employ a competent individual on a full or part time basis to represent the Town in making inspections of waste water disposal facilities, street construction, highway street maintenance work, water and sewer main installations and miscellaneous problems requiring special attention for protection of the best interests of the Town. The Board believes the cost of such a service could be allocated to the water, sewer and highway departments and relieve the Town Manager's Office of part of an increasing work load involving considerable responsibility.

We are all especially appreciative of the help and understanding we have experienced and will do our best to measure up to your expectations.

BRADBURY E. SPRAGUE, Chairman

BRUCE D. HEALD

ROY L. ATTEBERRY

Board of Selectmen

EARLE D. HARDY
Town Manager

Record of Annual Town Meeting

March 7, 1972

The Annual Town Meeting held at the Masonic Hall, Main Street in said Town was called to order by Joseph D. Parkman, Moderator, at 9:15 a.m. The Moderator read the first four Articles of the Town Warrant.

Motion was made and seconded to postpone Town Meeting until Wednesday night March 8, 1972 at 7:30 p.m. at the Robert Pottle Memorial Auditorium.

Affirmative vote

Number of Names on Check-list		2043
Total Number of Ballots cast		984
Straight Republican		293
Straight Democratic		143
Town Clerk for 3 years	Charlotte H. Straw	955
Town Treasurer 3 years	Normand E. Valliere	939
Selectman for 3 years	Roy I. Atteberry	634
	Ruth McHugh	323
Trustee of Trust Funds 3 yrs.	Clyde C. Brown	656
	Harry E. Plummer, Sr.	304
Library Trustees, 3 years	J. Kent Bird	580
	Elizabeth E. Potter	536
	Agalia Rouvalis	404
	Alice V. Weeks	344
Water Commissioner, 2 years	Rodney Treloar	442
	Richard Woodaman	486
Parks & Playgrounds Commissioners	Roger E. Carder	479
	Stephen H. Nedeau	530
	Lawrence Swain	483

And the following Candidates were declared by the Moderator to be elected:

Charlotte H. Straw, Town Clerk for 3 years; Normand E. Valliere, Treasurer for 3 years; Roy L. Atteberry, Selectman for 3 years; Clyde C. Brown, Trustee of Trust Funds for 3 years; J. Kent Bird and Elizabeth E. Potter, Library Trustees for 3 years; Richard Woodaman, Water Commissioner for 3 years; Kenneth W. Russell, Water Commissioner for 2 years; Stephen H. Nedeau and Lawrence Swain, Parks and Playgrounds Commissioners.

ARTICLE 2: No action.

ARTICLE 3: To act on the following question: "Do you favor the

continuation of the Town Manager Plan as now in force in this Town?"

Yes 453

No 249

ARTICLE 4: To act on the following questions:

1) Are you in favor of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Proposed corrections and changes relate to: Planned Unit Development clarification, non conforming Lot of Record, lot size change from acreage to square footage, Appointment procedure for the Board of Adjustment and clarification of definitions.

Yes 520

No 300

2) Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows: From Residential to Residential Zone II allowing for Motels. This area lies on the Southerly side of Pleasant Street from the end of Commercial Zone at Winnepesaukee Street to Wagon Wheel Trail.

Yes 413

No 447

3) Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Zone Change: Commercial to Residential Zone along the junction of Route 3 and 104, beginning of old Ladd Hill Road running to the present Residential on Route 104. (By request of the Planning Board)

Yes 554

No 283

The Business Meeting was called to order by Joseph D. Parkman, Moderator, March 8, 1972 at 7:30 p.m. at the Robert Pottle Memorial Auditorium at Inter-Lakes High School. Rev. Harold R. Patterson gave the invocation.

ARTICLE 5: To see if the Town will vote to discontinue the giving of any and-or all free monies to all associations or organizations, whether they be profit or non-profit. ("The words inserted by Petition.")

By motion of James Waldron which was seconded to insert "located outside of the Town of Meredith whether they be profit or non-profit." After a lengthy discussion Motion was defeated.

ARTICLE 6: Voted on under Article 3.

26: By motion of Nathan Torr it was moved and seconded to see if the Town will vote to raise and appropriate the sum of \$2,125.00 contingent upon matching funds from the Ford Foundation and-or any other private or public sources. These funds will be used by the Meredith Conservation

Commission for town environmental studies and technical assistance. (By request of Meredith Conservation Commission.)

By motion of Janet Grad it was moved and seconded to stop discussion.

Affirmative vote.

ARTICLE 7: Motion was made by Marshall French which was seconded by James Waldron to dismiss the Article.

Affirmative vote.

ARTICLE 8: By motion of Earle D. Hardy it was moved and seconded that the Town appropriate the sum of \$591,798.86 for the 1972 Budget as printed on pages 27, 28, and 29 of the Town Report, including the following changes: Interest on Bonds and Notes under "Indebtedness" should read \$14,527.25; and the sum of the items under "Indebtedness" should read \$86,177.25. The total budget should read \$591,798.86.

\$567,240.00 to be raised by taxation and \$24,558.86 from gasoline subsidy.

James Waldron questioned the increase in the Town Manager and Town Clerk's salaries. Marshall French advised Mr. Waldron that the Selectmen felt it was necessary.

Richard Kempton questioned repairing Town Hall, Bookkeeping Machine and why \$3000.00 more for salaries. Mr. Hardy explained.

Mrs. Peter Lunt asked how money was spent on Cemeteries. Marshall French explained.

Charles Chatterton remarked that if the Budget is within 1 percent they ought to have what they request.

ARTICLE 32: By motion of Brad Sprague it was moved and seconded that the Town authorize the Board of Selectmen to contract for emergency ambulance service for a period of two years, rendered in the Town of Meredith in each of the two years, and authorize the Selectmen to establish a schedule of charges and make collections for same, and appropriate a sum of money not to exceed \$14,000.00 for this purpose; \$7,000.00 to be raised in 1972 and \$7,000.00 to be raised in 1973.

Peter Lunt made an amendment that the Selectmen accept the lowest bid. Marshall French explained the necessity of having the local Ambulance Service.

Dr. Vazifdar and Mrs. Deneault both spoke of the need of the Town Ambulance and the good work done by the local Ambulance.

Negative vote to Amendment.

Affirmative vote to original motion.

ARTICLE 9: By motion of Brad Sprague it was moved and seconded that the Town authorize the Selectmen and Town Treasurer to

borrow money in anticipation of taxes for the current year, and issue notes therefore.

Affirmative vote.

ARTICLE 10: By motion of Earle Hardy it was moved and seconded that the Town authorize the Selectmen to sell at auction tax-acquired property.

Affirmative vote.

ARTICLE 11: By motion of Bruce Heald it was moved and seconded that the Town raise and appropriate the sum of \$1,471.85 for Town Road Aid and construction, maintenance and reconstruction of rural post roads and Class V Highways, provided the State will set aside the sum of \$9,812.31 for this purpose.

Affirmative vote.

ARTICLE 12: By motion of Robert Kroupa it was moved and seconded that the Town raise and appropriate the sum of \$1,000 to help defray the expense of the Information Booth. (By request of the Meredith Civic Association).

Affirmative vote.

ARTICLE 13: By motion of Robert Kroupa it was moved and seconded that the Town raise and appropriate the sum of \$500.00 for fireworks for July 4, 1972. (By request of the Meredith Civic Association). Amendment to motion made by James Waldron to raise \$1000.00 for fireworks.

Negative vote to Amendment.

David French advised that the Civic Association pays \$500.00 for fireworks.

Affirmative vote to motion.

ARTICLE 14: By motion of Ernest A. Groz it was moved and seconded that the Town raise and appropriate the sum of \$6,000.00 for the Benefit of the Lakes Region General Hospital. (By request of the Lakes Region General Hospital).

Affirmative vote.

ARTICLE 15: By motion of Marshall French it was moved and seconded that the Town raise and appropriate the sum of \$1,067.36 for the Benefit of the Lakes Region Association. (By request of the Lakes Region Association).

Affirmative vote.

ARTICLE 16: By motion of Earle D. Hardy it was moved and seconded that the Town raise and appropriate the sum of \$10,000.00 for Highway Capital Reserve Fund as authorized by RSA 35:1-35:18.

Affirmative vote

ARTICLE 17: By motion of Bruce D. Heald it was moved and

seconded that action on this Article be indefinitely postponed.

Affirmative vote.

ARTICLE 18: By motion of Nathan Torr it was moved and seconded that the Town raise and appropriate a sum not to exceed \$4,640.00 for equipment and materials for the summer recreation program.

James Waldron asked what materials and where. Mr. Torr explained.
— Leavitt Park.

Affirmative vote.

ARTICLE 19: By motion of Marshall French it was moved and seconded that the Town authorize the Board of Selectmen to acquire a portion of the property now owned by Clyde & Mary Prince opposite Waukewan Beach on Old Route 104 for a parking lot and necessary facilities in exchange for an easement to be granted to said Clyde and Mary Prince to cross property of the Town of Meredith along the shore of Lake Waukewan and maintain a wharf and gain access to said Lake. Said parking lot and facilities to be associated with the recreation program at Waukewan Beach.

Affirmative vote.

ARTICLE 20: By motion of Marshall French it was moved and seconded that the Town raise and appropriate a sum not to exceed \$2,750.00 to be used with any available funds for the purpose of building a retaining wall and steps including necessary back fill at Waukewan Beach.

James Waldron advised that he and his brother Jerry would put in fill free of charge. Marshall French said Selectmen should take him up on the offer.

James Waldron asked if any matching funds for above, Marshall French advised him that there was.

Herbert Waldron made an amendment to have the Selectmen put item up for bids.

Negative vote to Amendment.

Affirmative vote to motion.

ARTICLE 21: By motion of Brad Sprague it was moved and seconded that the Town raise and appropriate the sum of \$500.00 to help defray the expense of the New Hampshire Humane Society.

Affirmative vote.

ARTICLE 22: By motion of Bruce D. Heald it was moved and seconded that the Town adopt a non partisan ballot system for the election of Town Officers according to RSA 59-73.

James Waldron asked to have the above Article explained, which was done.

Affirmative vote.

ARTICLE 23: By motion of Marshall French it was moved and seconded that the Selectmen be empowered in the acceptance of the favorable method of extension of sewage facilities on Pleasant Street from its present terminus to Wagon Wheel Trail and that the Board of Selectmen be further empowered to investigate and negotiate for and obtain any Federal or State Aid which might be available for such work. Further, to see if the Town will vote to appropriate the sum of \$157,000.00 to defray the costs of the above extension and to raise said \$157,000.00 by borrowing on the credit of the Town, by issuance of serial notes in accordance with the Municipal Finance Act as Amended.

Richard Kempton asked what the Town's Indebtedness is.

Mr. French explained: \$409,800.00 plus Interest \$85,780.88.
Unanimous Vote.

ARTICLE 24: By motion of Earle D. Hardy it was moved and seconded that the Town vote to raise and appropriate the sum of \$8,000.00 to defray the cost of completing the extension of sewage facilities to the Oak Street extension area as authorized by the vote under Article 18 of the Annual Town Meeting held March 9, 1971, and to raise said \$8,000.00 by borrowing on the credit of the Town by issuance of serial notes in accordance with the Municipal Finance Act as amended.
Unanimous Vote.

ARTICLE 25: By motion of Bruce D. Heald it was moved and seconded that the Town raise and appropriate the sum not to exceed \$3,500.00 for preliminary plans and cost estimates for an extension of the public sewer system from its present terminus at the southerly end of Oak Street to the southerly extremity of Bay Shore Drive.
Affirmative vote.

ARTICLE 27: To see if the Town will vote to eliminate the picnic tables at Clough Park. (It is felt that this will alleviate the dangerous traffic problems which exist when people are using these picnic tables, a condition which worsens each year.) ("The words inserted by petition")

An amendment was presented and motion made by Nancy Lowth to the above Article as follows:

To see if the Town Will vote to eliminate the picnic facilities at Clough Park and erect "No Picnicking signs."
Negative Vote.

ARTICLE 28: By motion of Eleanore Wolf it was moved and seconded that the Town will discontinue free electricity at the Town Docks.
Affirmative vote.

ARTICLE 29: By motion of Bruce Heald it was moved and seconded that the Town appropriate a sum not to exceed \$13,250.00 for purchase of a

street sweeper, \$10,000.00 to be transferred from the Capital Reserve Fund and the remaining amount to be raised by Taxation.

Affirmative vote.

ARTICLE 30: By motion of Brad Sprague it was moved and seconded that the Town raise and appropriate a sum not to exceed \$5,000.00 for the purchase and installation of tanks and pumps for storage and delivery of gasoline to municipal vehicles.

Affirmative vote.

ARTICLE 31: By motion of Kenneth Russell it was moved and seconded that the Town authorize the Board of Selectmen, at the request of the Board of Water Commissioners to borrow a sum or sums not to exceed \$40,000.00 for improvements to the Meredith Water System, said funds to be repaid over a period not to exceed ten years from Meredith Water Department revenue. Said funds, together with any interest accumulating from short investment thereof, shall be expended for said improvements by the Board of Water Commissioners.

Unanimous vote.

ARTICLE 33: By motion of Mrs. Robert Montana it was moved and seconded that the Town vote to designate as Scenic Roads, under the provisions of N. H. RSA 253:17 and 18, those parts of the Old Center Harbor Road as follows:

(1) From the top of Sunset Hill, northwesterly to the Center Harbor town line where the road becomes Follett Road in Center Harbor; and

(2) From the top of Sunset Hill, northerly to the Center Harbor town line where the road becomes Old Meredith Road in Center Harbor. This Article is to take effect only if the Town of Center Harbor votes affirmatively to designate Old Meredith Road and Follett Road as Scenic Roads in that Town.

Affirmative vote.

ARTICLE 34: To transact any other business that may legally come before the meeting.

Marshall French extended his thanks to everyone and that he has enjoyed working for the Town of Meredith and hoped that the Town will grant the same respect to the new Selectman. It has been a rewarding experience.

Earle Hardy commented on the fine work done by Marshall French and Leon Hatch in behalf of the Town.

A standing ovation was given to both men.

Affirmative vote to adjourn.

11:00 P.M.

Charlotte H. Straw
Town Clerk

A true copy, attest:

Charlotte H. Straw

MEREDITH TOWN WARRANT

State of New Hampshire

To the Inhabitants of Meredith, qualified to vote in Town affairs:

You are hereby notified to meet at the Masonic Hall, Main Street in said Town of the first Tuesday of March next, March 6, 1973 from 9:00 A.M. until 7:00 P.M. for the casting of ballots, and at 7:30 P.M., Wednesday, March 7, 1973 at the Robert Pottle Memorial Auditorium in the Inter-Lakes High School in said Town, to act on the following articles:

1. To bring in your ballots for one Selectman for three years, one Trustee of Trust Funds for three years, two Library Trustees for three years, one Water Commissioner for three years and one Park Commissioner for three years.

2. To choose other necessary Town Officers.

3. To act on the following questions:

1) Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Proposed corrections and changes relative to: Planned Unit Development processing procedure and elimination of density requirement, shorefront lot set-back and width, allowance for general country store in forestry and rural zone, Building Permit for sewage facilities, definition of mobile-home on lot, and mobile-home in mobile home parks.

2) Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Zone Change: Placing all islands in an Island Zone with specific requirements.

3) Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows: Zone Change: Commercial to Forestry and Rural Zone along Route 104 beginning eight hundred feet from the westerly side of Oak Hill and Pease Roads to Hatch Corner Road.

4. To act on the following questions:

Shall the provisions of an act abolishing the Board of Water Commissioners for the Town of Meredith and transferring its functions to the Selectmen as passed by the 1973 Legislature be adopted?

5. To hear the report of the budget and act thereon.
6. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow money in anticipation of taxes for the current year, and issue notes therefore.
7. To see if the Town will vote to authorize the Selectmen to sell at public auction tax-acquired property.
8. To see if the Town will vote to raise and appropriate the sum of \$1,460.48 for the Town Road Aid and construction, maintenance and reconstruction of rural post roads, and Class V highways, provided the State will set aside the sum of \$9,737.85 for this purpose.
9. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to help defray the expense of the Information Booth. (By request of the Meredith Civic Association)
10. To see if the Town will vote to raise and appropriate the sum of \$500.00 for fireworks for July 4, 1973. (By request of the Meredith Civic Association)
11. To see if the Town will vote to raise and appropriate the sum of \$6,000.00 for the benefit of the Lakes Region General Hospital. (By request of the Lakes Region General Hospital)
12. To see if the Town will vote to raise and appropriate the sum of \$1,067.36 for the benefit of the Lakes Region Association. (By request of the Lakes Region Association)
13. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for a Highway Capital Equipment Reserve Fund as authorized by RSA: 35:1 - 35:18.
14. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for a Fire Department Capital Equipment Reserve Fund as authorized by RSA: 35:1 - 35:18.
15. To see if the Town will vote to raise and appropriate the sum of \$500.00 to help defray the expense of the New Hampshire Humane Society.
16. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to acquire an additional parcel of property from Clyde and Mary Prince on the southerly side of Old Route 104 opposite Waukewan Beach between Old Route 104 and the Boston and Maine Railroad Right of Way to include a parcel of land fifty feet in length along Route 104 in an easterly direction from land as voted to be acquired under Article 19 of the 1972 Annual Town Meeting, said land to be used to extend and improve necessary facilities at Waukewan Beach.
17. To see if the Town will vote to establish a three-member Refuse Disposal Planning Committee with duties as set forth in Sections 1-5, Chapter 53-B, New Hampshire Revised Statutes Annotated, 1955, to study

the advisability of establishing a regional refuse disposal district. The Committee shall report its findings and recommendations to the Board of Selectmen for action by the Town Meeting.

18. To see if the Town will appropriate \$800.00 for the purchase and installation of two fire sirens, one at each end of Bear Island to alert residents of fire on the islands in the Town of Meredith. These sirens to be installed in the Spring of 1973. Monies expended by the Town to be reimbursed by Federal funds for which Meredith will be eligible and will be included in the 1973 budget submitted by the President. The Words inserted by Petition.

19. To see if the Town will appropriate \$7,000.00 for the purchase of a suitable motorized fireboat, equipped with two gasoline driven high-pressure, adequate volume fire pumps, 1060 feet of 1½ inch nylon forestry hose, four nozzles, two 2½ inch suction hose with box strainer, ten Indian Pump Cans, adequate shovels, rakes, ladders and other incidental equipment necessary for fire protection and control of Meredith Islands and shore areas. The fireboat is to be housed at a marina on the Eastern shore of Meredith Neck opposite Bear Island. The fireboat and equipment shall be under the control of the Meredith Fire Chief who shall be responsible for the training of a volunteer crew who live or work adjacent to the fireboat for immediate service and call. Monies expended by the Town to be reimbursed by Federal Funds for which Meredith will be eligible and will be included in the 1973 budget submitted by the President. The Words Inserted by Petition.

20. To see if the Town will vote to appropriate the sum of two thousand (\$2,000.00) dollars for the extension of the common sewer from its present terminus on Waukewan Street at the intersection of Colby Street in an easterly direction on Waukewan Street for a distance of approximately one hundred and thirty feet, including a manhole and appurtenances, said sum to be raised by borrowing on the credit of the Town by issuance of serial notes in accordance with the Municipal Finance Act as amended.

21. To see if the Town will vote to appropriate the sum of five thousand (\$5,000.00) dollars for the extension of the common sewer from its present terminus on Massachusetts Avenue to the intersection of Massachusetts Avenue and Westview Road, a distance of approximately three hundred and thirty feet, including manholes and appurtenances, said sum to be raised by borrowing on the credit of the Town by issuance of serial notes in accordance with the Municipal Finance Act as amended.

22. To see if the Town will appropriate the sum of seven thousand (\$7,000.00) dollars to employ a full-time Assessor and authorize the withdrawal of seven thousand (\$7,000.00) dollars for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

23. To see if the Town will appropriate the sum of four thousand (\$4,000.00) dollars for a communications clerk and authorize the withdrawal of four thousand (\$4,000.00) dollars for this purpose from the

Budget for 1973

EARLE D. HARDY
Tax Collector

Division of Municipal Accounting

State Tax Commission

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

August 28, 1972

Board of Selectmen
Meredith
New Hampshire 03253

Gentlemen

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Meredith for the fiscal year ended December 31, 1971, which was made by this Division in accordance with the vote of the Town.

One of the enclosed audits must be given to the Town Clerk as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Sewer Fund, Special Assessment Accounts, Municipal Court, Library and Trustees of Trust Funds.

FINANCIAL STATEMENTS

General Fund:

Comparative Balance Sheets - Dec. 31, 1970 and Dec. 31, 1971:

(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1970 and December 31, 1971 are presented in Exhibit A-1. As indicated therein, the financial condition of the Town changed from a current deficit of \$13,251.09 at December 31, 1970, to a current surplus of \$22,579.77 at December 31, 1971.

Analysis of Change in Current Financial Condition: (Exhibit A-2)

An analysis of the change in current financial condition of the Town is

made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Increases in Current Surplus:

Net Budget Surplus	\$35,469.27	
Tax Collector's Excess Credits (Net)	361.59	
	<hr/>	\$35,830.86

Comparative Statements of Appropriations and Expenditures, Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures - estimated and actual revenues - for the fiscal year ended December 31, 1971, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a net unexpended balance of appropriations of \$1,965.13, plus a revenue surplus of \$33,504.14 resulted in a net budget surplus of \$35,469.27.

Long Term Indebtedness:

Comparative Balance Sheets - December 31, 1970 and December 31, 1971: (Exhibit A-5)

Comparative Balance Sheets of the outstanding long term debt of the Town as of December 31, 1970 and December 31, 1971 are presented in Exhibit A-5. As indicated therein, the long term debt of the Town increased by \$14,350.00, from \$395,450.00 to \$409,800.00. Authorized long term notes totaling \$80,000.00 were issued and matured notes and bonds in the amount of \$65,650.00 were paid during the fiscal year. (Authorized but unissued notes amounted to \$20,000.00 at December 31, 1971.)

Statement of Annual Debt Service Requirements: (Exhibit A-6)

A statement of annual debt service requirements (principal and interest) is presented in Exhibit A-6.

TREASURER

General Fund:

Classified Statement of Receipts and Expenditures: (Exhibit B-1)

A classified statement of general fund receipts and expenditures for

the fiscal year ended December 31, 1971, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1971, is indicated in Exhibit B-2.

Sewer Fund: (Exhibit B-4)

A statement of the activity in the Sewer Fund account during the year is presented in Exhibit B-4.

Pleasant Street Sewer Extension Fund: (Exhibit B-5)

A statement of the activity in the Pleasant Street Sewer Extension Fund is presented in Exhibit B-5.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. Consequently, the amounts of uncollected and unredeemed taxes as indicated in this report are subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Unredeemed Taxes:

Unredeemed taxes totaling \$3,358.43 on account of levies of 1968 and prior years were due the Town at December 31, 1971, according to the Tax Collector's tax sale records.

Levy of 1968	\$3,078.37
Levy of 1967	267.80
Levy of 1966	12.26
	<hr/>
	\$3,358.43

Inasmuch as the two-year period provided by law for redemption

from tax sales has expired on these unredeemed taxes, the Tax Collector should give tax deeds to the Town for all the properties represented by tax liens held by the Town which are in default of redemption.

Conclusion:

The provisions of Chapter 71, Section 27-a, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Town of Meredith for their assistance during the course of the audit.

Very truly yours,

Frederick E. Laplante
Director

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Division of Municipal Accounting

Concord, New Hampshire

August 28, 1972

TOWN OF MEREDITH

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Meredith for the fiscal year ended December 31, 1971.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Town of Meredith at December 31, 1971, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,

Frederick E. Laplante
Director

Report of the Planning Board

1972 was a busy and interesting year. The Planning Board has been meeting almost every week to handle the work load. The second and fourth Tuesdays of the month are designed for processing land subdivision plans, 60 plans were approved in 1972.

Amendments to update the subdivision regulations were prepared this fall. The public hearing was held on Nov. 3, 1972 and the amendments were adopted by the Board on Dec. 5, 1972.

The Board worked on an Island Zone and requirements at the request of island taxpayers also a few amendments to the Zoning Ordinance. Hearings were held on the amendments Jan. 19th and Feb. 9, 1973.

The Planning Board wishes to extend its appreciation to Mr. Harry Page for his time and assistance as a member and chairman of the board. Mr. Page resigned prior to leaving for the winter in Florida. Mr. Jason Blais was assigned as a new member.

Respectfully submitted,

Mr. C. George Chmn.
Mr. D. Hanson
Mr. C. Ulm
Mr. W. Robinson
Mr. J. Blais
Gen'l R. Atteberry
Mrs. R. Montana Sec'y

Report of the Lakes Region Planning Commission

Mr. Earle D. Hardy
Town Manager
Municipal Building
Meredith, New Hampshire 03253

Dear Mr. Hardy:

The Lakes Region Planning Commission is in its second full year of operation and has accomplished most of its objectives despite the enlargement of the Region and the uncertainties of State and Federal programs. This is due primarily to the continued support of local communities and the fact that new communities are participating in our Commission with the result that local costs can be spread over a broader base.

Attached you will find the Report of the Director for 1972 which outlines the efforts of the Commission Regionally and Locally. It is anticipated that as many as six new communities may join the Commission, based on current interest. The result of this, of course, is a decrease in the level for funding being requested from existing members compared to the previous year. The commission has anticipated this in the current request for funds from Meredith which is \$3,083.00 for fiscal year 1973-74.

Attached is a copy of the appropriations requested from each community within the Regional boundaries. The formula, as in the past, is based 50 percent on population and 50 percent on equalized valuation. There are three methods presently being employed for inserting the appropriation in the proposed budget. These include (1) part of the Selectmen's budget, (2) part of the Planning Board budget, and (3) as a separate warrant article. It is felt that either of the former methods recognizes the role of Regional Planning as a valid part of ongoing local government.

Should you have specific activities which should be considered in the coming year or questions, please do not hesitate to contact either your local representatives or the Commission's office in Meredith.

Finally, you will find attached an Audit Report of the Commission's activities from June 1971 through June 1972. This report is updated by the Commission's Quarterly Report of expenditures through December, 1972.

Cordially,
David G. Scott
Executive Director

REPORT OF THE EXECUTIVE DIRECTOR

Lakes Region Planning Commission

1972

The Lakes Region Planning Commission has emphasized two major directions of work during the past year. The first was to prepare Regional Plans and related programs. The second is to provide professional planning assistance and advice to local communities.

The type of effort expended varies with the program. Regional concerns are technical, have a broader perspective, and require inter-governmental coordination coupled with extensive data gathering. On the other hand, local assistance is person-to-person and requires a greater sensitivity for local concerns and interests. This report will attempt to provide a measure of the Commission's progress in both directions for the past year.

I. REGIONAL PLANNING

A. Land Use Planning

1. Land Capability: The Commission's staff is completing a study and analysis of the Region's soils and topography. When completed, the report will provide generalized Regional land capabilities related to land development. The specific characteristics of soils for each community was determined from the data provided by the Soil Conservation Service in both Carroll and Belknap counties. The Carroll County information was preliminary and the staff used field sheets in preparing the report. The Regional report will be updated following publication of the final Carroll County Soils Report.

2. Population: A draft report of Regional Population Characteristics has been prepared and the preliminary figures have provided basic input for the Sewage Disposal and Solid Waste Disposal Plans.

3. Existing Land Use: A generalized Existing Land Use Map and text has been prepared. Initial information was derived from maps of the Department of Public Works and Highways and was subsequently field checked.

4. Future Land Use: The staff is preparing a draft of the Regional Future Land Use Plan. The first draft, when completed, will be presented to the Commission for discussion and review.

B. Sewage Disposal

The firm of C. E. Maguire, Inc. was selected to prepare a Water Quality Plan for the Lakes Region which will provide for the development of Sewage Disposal Systems within the Region. This firm recently completed the Winnepesaukee River Basin Study which included a preliminary review of the possibility of constructing a pipeline around Lake Winnepesaukee. The present program builds on the Basin Study and investigates six alternative systems and evaluates each in terms of capital, operation and maintenance costs, and potential environmental impact. The draft report has been received by the Commission and is being reviewed. Additional copies are being forwarded to the State Water Pollution Commission, the Environmental Protection Agency, the Department of Housing and Urban Development, and the Farmers' Home Administration.

C. Solid Waste Disposal

The Regional Solid Waste Program was initiated on November 2nd and 3rd with meetings in Ossipee and Meredith respectively, for municipalities east and west of Lake Winnepesaukee, with a representative of the firm of Metcalf & Eddy. An Engineer has reviewed the existing facilities in each community. Follow-up discussions have been held with representatives of all but two towns.

Recommendations of the first phase of the program are expected in May of this year. Phase II will be completed in the fall. Requests for funding the construction of the proposed facilities will be in the preparation stages during the coming summer.

D. Economic Profile

In anticipation of doing an Economic Base Study, the Commission's staff is preparing an Economic Profile of the Region which will indicate the present situation relative to employment, municipal facilities and relative tax levels, existing industries, population and levels of municipal services. This Profile should be of value to those communities which are concerned with changes in their industrial or commercial base. The assistance of the State Office of Industrial Development is particularly appreciated.

E. Housing and Health Planning

A program for the analysis of available housing and the delivery of health services is being prepared for the Region to be initiated at a later date and possibly not until the new fiscal year.

II. LOCAL PLANNING ASSISTANCE

The Commission views this aspect of its program as having the greatest immediate benefit for the smaller communities whose financial

support provides them with basic planning assistance. An important segment of our work load relates to the every day inquiries that come from elected and appointed Town and City officials, businessmen, realtors, potential developers and concerned residents. Many such contacts have been handled through the towns' representatives on the Commission. We have not attempted to list or record this type of contact, primarily because of the excessive time and paper work involved.

Several projects undertaken as Regional activities are important to the individual communities. For example, individual town soils maps were prepared as a basis for the Regional Map. In Carroll County this meant that the Commission used the preliminary field sheets to assemble the required data for each town. This basic information should be extremely valuable to local Planning Boards for land development codes and ordinances.

Most of the member communities have been concerned with Tax Mapping. The Commission's staff, as a result of this expressed concern, has prepared a report relative to Tax Mapping for use by member communities, which has received wide distribution throughout the Region and State. A third example is the evaluation of existing local Solid Waste facilities as part of the Regional program. This information, coupled with the Commission's population figures, will enable the towns to plan for future expenditures.

Alton: Specific information has been provided to the Alton Planning Board on the handling of Site Plans, Mobile Homes, Cluster Development, and Planned Unit Development. The Regional Commission is presently in the process of acquiring the materials, updating and redrafting the Alton Town Base Map and will prepare a new Zoning Map.

Belmont: The Belmont Planning Board has been concerned with questions involving subdivision review and proposed Mobile Home Parks. Several meetings were held with the Chairman to review specific proposals. Assistance has been provided on Building Codes, Subdivision Regulations and, more recently, an in-depth discussion of alternate ways of providing for Mobile Homes and Mobile Home Parks.

Brookfield: The Town is deeply concerned with several huge tracts of mountain land which may soon be developed. They have requested advice and assistance on this matter.

Center Harbor: The Planning Board requested and received assistance in updating the Zoning Ordinance, redrafting and reduction of the Zoning Map. The reduced 8½ x 11 map is also useful for directional maps for summer visitors. Sufficient copies of the Ordinance were prepared for use by the Town. The Commission also assisted in the preparation of most of the existing Ordinances for professional printing.

Effingham: The Commission assisted the Town in having a Planning

Board established in 1972. A Town Base Map has been prepared and the Planning Board has received advice and assistance in doing a mail-out survey and initiating a locally undertaken Existing Land Use Study.

Gilford: The Town Selectmen and Planning Board requested a study of Gunstock Acres Development and its impact on the Town relative to existing Ordinances and Regulations. The completed study, which is applicable to a number of Regional communities, indicates that strengthening of Town Ordinances is required.

The Base Map was updated, the Town Zoning Map was redrafted and reduced to 8½ x 11 for hand-out purposes. Specific proposed amendments to the Zoning Ordinance were reviewed and have received comment. Copies of Chapter 479-A of the New Hampshire Statutes (N.H. Condominium Law) and specific information relative to fee schedules for Subdivision review was provided.

Recent proposals to develop Smith Cove have been reviewed

Hebron: A meeting was held in Hebron to review the needs of that Town with the Selectmen and Planning Board. Assistance was provided relative to initiating a Townwide Soils Survey.

Holderness: A meeting was held in Holderness at which it was determined that Tax Mapping information was needed and a Townwide Soils Survey a must. The Commission has provided the former information and will assist the Town with the latter and with the initiation of a Town Plan.

Laconia: The City is most concerned with having the Region certified for Federal funds. The Regional Planning portion of this report reflects this activity.

Since the resignation of the City Planner, the Commission has attempted to provide advice and assistance aimed at continuing existing programs. This has included occasional review of complicated development plans, telephone discussions with the Building Official relative to Zoning, and three or four meetings.

Meredith: The Planning Board has received review and comment on a proposed Subdivision check list and Zoning amendments. A meeting was held to review a proposed development and a proposed Mobile Home Park received careful scrutiny and comment.

The Regional Commission is presently preparing a reproducible Town Zoning Map in accordance with suggestions received from the Town Manager.

Moultonboro: Assisted in the preparation and distribution of the

proposed Subdivision Regulations. Assisted in having the Town Base Map redrafted at a smaller, more useful scale and size.

Ossipee: The Town Planning Board has been advised of procedures for administering Subdivision Regulations and the bonding of new roads and improvements and a meeting is scheduled with Town Officials.

Sanbornton: Recommendations for the updating of the Sanbornton Zoning Ordinance were prepared, including alternatives for handling Mobile Homes. The Subdivision Regulations were reviewed and recommendations submitted. Copies were provided to the Planning Board. The Director appeared in support of the Town in the recent challenge of their Zoning Ordinance.

Sandwich: Assisted the Town in acquiring prints of Town Maps, enabling Legislation and Subdivision changes. Met with the Planning Board and Selectmen to discuss the soils survey, provision of adequate housing in the village and the Town Plan.

Tamworth: Supported the Town's request to become a member of the Lakes Region which was subsequently approved by the Governor.

Tilton: The Director has worked closely with the Tilton Planning Board, which has recently lost most of its long-term members, in selecting a Consultant to prepare a Comprehensive Plan. The Town Zoning Map was reviewed, redrafted and is being brought up to date. An Existing Land Use Map was prepared. The Consultant studying the Town Water System was provided population and related data.

Tuftsboro: Prepared a Preliminary Land Use Study and Map prior to developing a simple Land Use Ordinance. Worked with the Board on revisions. When the Ordinance failed, at a regular meeting, provided a review of the revised Ordinance prepared by the Planning Board, which was subsequently approved by a Special Town Meeting. Met with a Board member relative to Mobile Homes and Mobile Home Parks.

The Planning Board make extensive use of the telephone, particularly with respect to administration of Subdivision Regulations.

Wakefield: Provided a review with comments relative to the proposed Zoning Ordinance.

Wolfeboro: Wolfeboro has requested that the Commission complete the Regional Water Quality Plan — which is nearing completion — and become certified to assure maximum funding to the Town.

Have met with the Town Selectmen. Reviewed the realignment of Route No. 28, provided information on the provision of Ambulance Service

and have reviewed Wolfeboro's request for recreation funds.

III. SPECIAL PROJECTS

A. Legal Research

The Commission requested that a local attorney undertake a study to consider the feasibility of using Town Ordinances to control specific land use problems as an alternate to an overall Zoning Ordinance. The study suggests the possibilities...and limitations of this approach

B. Data Collection

The Commission is developing a library of local data, including plans, maps, reports and related information for use within the Region. This is available to all Lakes Region residents for use in the office.

1973-74 Work Program

- (1) Public discussion of an eventual adoption of the Regional Land Use Plan. Development of a coordinated Open Space Plan.
- (2) Public discussion of an eventual adoption of the Regional Water Quality Management Plan.
- (3) Completion of the Solid Waste Plan and initiation of preparation for implementing funds.
- (4) Expansion of the present plans to cover the newly enlarged Region.
- (5) Increased efforts at working with Planning Boards and Boards of Selectmen in the preparation of plans and implementing regulations and ordinances.
- (6) Continuing programs on housing, recreation and the collection of data pertinent to each of the Commission's programs.

Lakes Region Planning Commission Financial Report

Lakes Region Planning Commission
11 Lang Street
Meredith, New Hampshire 03253

Gentlemen:

We have examined the statement of assets, liabilities, and fund balances of the Lakes Region Planning Commission as at June 30, 1972, and the related statements of receipts and disbursements and analysis of fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Lakes Region Planning Commission was created by the State of New Hampshire under Chapter 36, New Hampshire Revised Statutes Annotated Section 36:45 through 36:53.

The basic bookkeeping method employed by the Lakes Region Planning Commission is the cash basis method for recording of cash receipts and cash disbursements. Its statement of assets, liabilities, and fund balances, however, is prepared under the accrual method of accounting giving recognition to amounts receivable and payable. As the organization entity is a planning commission, it is the opinion of the auditors that the costs of its studies and other programs should be accumulated as assets in its balance sheet. It is the opinion of the auditors that such information is of primary importance to the users of its financial reports. Such assets, although not physical in nature, are expected to bring further benefits in the future.

In our opinion, the accompanying statements of assets, liabilities, and fund balances and the statements of cash receipts and disbursements and analysis of fund balances present fairly the financial position of the Lakes Region Planning Commission as at June 30, 1972, and the results of its cash receipts and disbursements and analysis of fund balances for the year then ended in accordance with generally accepted accounting principles as applied to the statement of assets, liabilities, and fund balances and in accordance with cash basis method of statement preparation for the statement of cash receipts and disbursements.

Very truly yours,

Dana S. Beane, Jr.
Certified Public Accountant

LAKES REGION PLANNING COMMISSION

Notes to Financial Statements As at June 30, 1972

General:

The Department of Housing and Urban Development has allocated Federal grants to the State of New Hampshire under the Comprehensive Planning Assistance Program. These grants are available to regional planning commissions through the Office of Comprehensive Planning, State of New Hampshire. The grants provide two-thirds of the total cost and the participants provide the remaining one-third. All contracts under the program are administered by the Office of State Planning. Receipts and disbursements made by the State on behalf of the Lakes Region Planning Commission have been reflected in these statements.

Note 1:

This cash has been collected from member cities and towns to be used for budgetary purposed during the July 1, 1972, to June 30, 1973, fiscal year. The Commission has adopted such fiscal accounting period (its first full twelve months of existence) to coincide with the State and Federal fiscal accounting periods.

Note 2:

This advance was requested by the Office of State Planning, State of New Hampshire, for the Regional Sewerage Disposal Study for which the State awarded a contract to the firm of C - E Maguire, Inc. The contract was signed May 19, 1972; however, as of June 30, 1972, no billable work had been performed by C-E Maguire, Inc. The total cost of the contract is \$12,500.00, shared by the Lakes Region Planning Commission and Federal government as follows:

	LRPC	Federal	Total
C-E Maguire, Inc. Contract	\$ 4,083.00	\$ 8,167.00	\$12,500.00
State Administrative Cost	674.00	1,348.00	2,022.00
	<hr/>	<hr/>	<hr/>
	\$ 4,757.00	\$ 9,515.00	\$14,522.00

Note 3:

Of this amount, \$3,632.00 was disbursed by the State to Metcalf and Eddy, Inc. for the Initial Housing Element and Overall Program Design Studies, and \$600.00 was retained by the State for administrative cost.

Report Of The Parks and Playgrounds Commission

Again this year we would like to thank the taxpayers of Meredith for appropriating and raising the money necessary for a successful summer program. We would also like to thank all the individuals for their support in offering ideas for future programs.

Work was done on Prescott Park Club House, including painting and interior renovations. All the fences, dugouts, and other buildings have been stained. New drinking fountains have been installed.

Nathan Torr supervised the activities at all of our Parks, and in the Commission's opinion did an excellent job, as our daily attendance for swimming, arts and crafts, tennis, and many other activities was well above 250 youngsters daily. The program last year was extended to include ladies tennis which had an overwhelming turnout with everyone having a good time.

The only project we were unable to complete was the construction of a retaining wall at Waukewan Beach pending matching funds from the State Bureau of Outdoor Recreation. Funding has now been approved, and we hope construction will begin in the spring.

The Commission hopes that the Town will continue to support the fine programs and projects that have been started. We also think that Parks and Playgrounds program of the Town of Meredith compares favorably with any park or playground program in the State of New Hampshire. The attraction is self-evident when we note the activity at Prescott Park, Leavitt Park Beach, Waukewan Beach, Hesky Park and Clough Park which are used extensively during the spring, summer and fall months.

Respectfully submitted,

Brad Quimby, Chairman

Richard Detscher

New Acquisitions:

Purchases-adult non-fiction 362, fiction 361; juvenile 130. Gifts-adult non-fiction 78, fiction 50; juvenile 3. Reference purchases - 17; gifts 7. Totals: adult non-fiction 5768, fiction 4556; juvenile 4122; references 803. Less Discards & lost books: adult non-fiction 55, fiction 104; juvenile 176; reference 1.

Recordings:

Total 1971, 408; purchases, 10; gifts 1; less discards 1. Net Total 418. Films 2. Grand Total, books, recordings & films, 15,333.

Registered Borrowers:

Adult 1033; juvenile 487.

Periodicals & Newspapers:

Purchases, 43 magazines, 1 newspaper. Meredith News and 42 magazines by gift.

Library Hours:

Monday & Wednesday — 2 to 5, 6:30 to 8:30. Tuesday — 10 to noon, 2 to 5 & 6:30 to 8:30. Friday & Saturday — 10 to noon, 2 to 5. Closed Saturday afternoon during July & August.

Books From the Bookmobile:

1921. Direct requests, 294, (Inter-library loans).

Meetings Attended:

Central District Advisory Council; Book Cooperatives; New Hampshire Library Association; New England Library Association; Presented Program for the Woman's Progress Club; New Hampshire Library Trustees Association; Film Previews for the North Country Libraries (Maine, New Hampshire and Vermont).

Committee Membership:

Delegate and member of the Qualifications Committee for the Central District Advisory Council; Member of the Planning Committee for the Northern Institute Outreach Leadership Network; New England Library Association Committee on Continuing Education.

Outreach:

Letters to Meredith residents courtesy the New England Electric Cooperative; Mailing books to shut-ins; Publicity & display for Poetry Week; book collections for the Meredith Bay Nursing Home; book displays in Allen's Barbershop and Village Fabrics; Art displays by Doris Cotton, Mrs. Theodore Giebutowski, Needlework by Margaret Lunt, drawings and three dimensional artwork of the first grades under the direction of Richard Hutton; Talking Book Machines & records for Meredith residents; paperback "Swap Box"; Program for Woman's Progress Club; Consumer Program on "Food Additives" presented by Merle Kincaid; "Aware: a program on library services for the handicapped" presented at the Elementary School Auditorium; Central District Advisory Council met at library in January with Emil W. Allen, Jr., State Librarian as speaker. Book Cooperative held here same morning. Open an extra evening (Tuesday) and an extra half hour each evening. Invited Mrs. Beem and Mrs. Davenport to bring their class to the library to decorate the Christmas tree; entertained them with Christmas stories and refreshments.

Under the direction of Assistant-librarian Marilyn Rushton we've had story hours, a patriotic birthday party in February; making doll-house rooms from cartons; a poster contest, awards made during story hour National Library Week; a play for Children's Book Week presented to 150

parents and children; In cooperation with the playground Director Nathan Torr, we held story hours, showed films and had three visits from "The Little Red Wagon" the latter through a Federal Grant.

101 children registered for the Vacation Reading Club and enjoyed their trip to "Funspot."

Dr. Thomas H. Briggs left a bequest of \$500.00 to be used at the discretion of the librarian. A collection of Audio-Visual materials is planned.

Gifts of money, books, bookmarks from the Guy Horne Insurance Agency, book bags from the Meredith Banks and the Meredith News are all sincerely appreciated.

We depend on the Friends of the Library for help during our programs. They donated \$100.00 for adult books. Their report follows this one.

MARION R. WATSON
Librarian

MARILYN E. RUSHTON,
Assistant Librarian

Friends of the Library

Annual Report - 1972

As they have done in previous years the Friends of the Library exchanged books for the Meredith Bay Nursing Home, and assisted with refreshments at various library programs. Last year, in addition to children's parties, the library sponsored seminar for the handicapped at Inter-Lakes School. The Friends had one dessert bridge and two sales, a very successful lawn sale in the summer and a less successful winter sale.

Plans for the future include participation in the Meredith 4th of July celebration this summer.

Report of the N. H. Humane Society

Office of the Selectmen
Meredith Town Hall
Meredith, N. H. 03253

Gentlemen:

For 1972, the Town of Meredith appropriated \$500 to the N. H. Humane Society. This was used to help operate the society shelter making it available to your Police to leave strays and restrain bite cases; to fulfill the town's requirement to the State Rabies Control Act 442-A; and aid your residents with their animal problems.

In January, the society will give you the figures on the number of animals and Meredith residents that came to the shelter in 1972. The new enlarged shelter will set a record with the number of people and animals that required its services this year.

The enclosed letter outlines the service to be offered your animal control officers and residents for the coming year 1973. We request the Town of Meredith appropriate \$500 to the N. H. Humane Society for 1973.

Sincerely yours,

Fritz T. Sabbow
Executive Director

TO YOUR POLICE OR DOG OFFICER

Your budget appropriation to the New Hampshire Humane Society provides:

1. Your compliance with the New Hampshire Statutes requiring isolation facilities on animals that must be restrained for possible Rabies, Chapter 442-A, Rabies Control Act.
2. These facilities are available 24 hours a day for your dog officer or police to leave strays.
3. Assist towns with unusual animal problems and will help train dog officers in all phases of animal work.
4. Will cremate all dead animals.
5. Society investigates all complaints of cruelty and suffering to animals and will go to court in their behalf if necessary.

SERVICE AVAILABLE TO YOUR RESIDENTS

1. The facilities are open to the public seven days a week, 9 - 11 a.m. and 2 - 5 p.m. for them to bring their unwanted animals.
2. Will assist owners with pets that must be put to sleep using the most modern painless method and will cremate all dead animals.
3. Will restrain owners animals in bite cases.
4. Has a continual educational program for schools, clubs, children and adults and offers booklets on the training and care of animals.
5. Offers to the public, healthy animals for adoption. All have been examined by the society veterinarian, wormed if needed, all puppies are given a puppy distemper vaccination and all cats and kittens a regular distemper vaccination.
6. Offers a spaying fund for all cats and kittens adopted from the shelter.
7. The Society Shelter is the largest in New Hampshire, now in its 73 Year and the only facility of its kind in Central and Northern New Hampshire open all year round to help animals.

Meredith Water Department

Report of Water Commissioners

Year Ending December 31, 1972

The Water Commissioners of the Meredith Water Department are pleased to submit a report of activities of the Department during 1972 along with a report of audit by the State Tax Commission for the two previous years. The audit report for 1972 will appear in the 1973 Town Report. Due to reorganization within the accounting department of the State Tax Commission and limited personnel, the delay was unusual.

Several important phases of the improvements of the Water Department were completed in 1972 under the general supervision of Superintendent Robert Woodman. The outstanding accomplishment was the replacement of the four-inch water mains on Stevens Avenue, Lake Street and Elm Street. The condition of the four-inch pipe was found to be very poor and would not have supplied any appreciable volume of water to any of the hydrants connected to these mains. The opening in the pipes had gradually been reduced by a rust formation to about one and one half inches in diameter. Approximately 500-feet of new six-inch cement lined pipe was laid on Lake Street, eleven hundred feet of the same on Stevens Avenue, and about twelve hundred feet of ten-inch cement lined pipe was laid on Elm Street along with the replacement of all old hydrants which were supplied from the four-inch mains. A four-way system of branches and valves was installed at the junction of Elm and Pleasant Streets providing for a new pipe to be laid across Meredith Bay from Dover Street and connected to the system at the junction point at a later date.

This leaves one more smaller project for 1973 which is to clean and line the section of six-inch water main on Winnepesaukee Street between Pleasant Street and Route 3.

Considerable progress was made in replacing old water meters with new ones with remote outside readers. Two hundred of the new units have already been installed and another hundred of the new meters will be installed during 1973. This will tend to provide us with more measurement of water consumed and will shorten the time necessary to read the meters since the readers will not have to gain entrance to the buildings. This is particularly important with the beginning of semi-annual meter readings for billing purposes beginning April first of this year.

The new schedule for reading meters will indicate if any particular consumer is using an exceptionally large volume of water and call it to the consumer's attention before a situation may get out of hand. Reading meters semi-annually will also tend to even out the flow of revenue into the Water Department.

Another important improvement to the Water Department was the replacement of the four-inch supply pipe to the pump on Waukegan Lake with a six-inch plastic pipe. This provided the increased capacity that can be delivered to the reservoir during the summer months necessary to maintain a sufficient level in the reservoir to provide for fighting fire or satisfy possible drought conditions. The installation of the plastic pipe will buy time for us to up-date our water supply with high quality water and a greater capacity.

This year the voters will consider abolishing the Water Commission and transferring the duties of the Commission to the Board of Selectmen. The Town has been fortunate in having dedicated citizens with exceptional experience-background serving over the years as members of the Water Commission. The Water Department, however, is becoming more integrated with the other town departments, making use of highway department personnel and equipment and with clerical work carried out by Town office employees.

The Water Commissioners ordinarily meet monthly to review disbursements and discuss problems and lay plans for various projects. With the increase in Water Department activity, it appears advisable for more frequent meetings of a Board making policy decisions and to allow the administration of the Water Department to be a function of the Town Manager's Office. Since the Board of Selectmen meet on a weekly basis, authoritative and policy making functions could be dealt with on a more current level.

It is a foregone conclusion that the Manager's Office has become overburdened with details of inspection of sewer, water and highway construction projects: and it is the consensus of opinion of the Board of Selectmen and Water Commissioners that the time has arrived when a person with engineering experience and background is needed. The expense of employing such a person could be partly supported by Water Department revenues on a proportional basis with the Sewer and Highway Departments. The Water Commissioners contend that such a move is vital and necessary.

The question as to whether or not the Water Commission will be abolished will appear on a written ballot at the polls on the first Tuesday of March. If voted favorably, we will do everything possible to assist the Board of Selectmen, and if not we will continue to do our best to serve to the Town of Meredith as Water Commissioners.

Respectfully submitted,

GILBERT W. MacINTYRE

KENNETH W. RUSSELL

RICHARD S. WOODAMAN

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

September 19, 1972

Board of Selectmen
Meredith
New Hampshire 03253

Gentlemen:

We have examined and audited the accounts of the Meredith Water Department for the fiscal years ended December 31, 1969, December 31, 1970 and December 31, 1971. Submitted herewith is the report of this audit, including Exhibits as hereafter listed. The report consists of three sections, as follows:

Section I - Fiscal Year Ended December 31, 1969
Section II - Fiscal Year Ended December 31, 1970
Section III - Fiscal Year Ended December 31, 1971

SCOPE OF AUDIT

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibits A-1, A-2 and A-3)

Comparative Balance Sheets for the fiscal years ended December 31, 1968-69, December 31, 1969-70 and December 31, 1970-71, are presented in Exhibits A-1, A-2 and A-3. As indicated therein, the Net Debt decreased by \$17,871.22 in 1969, \$26,512.98 in 1970 and \$26,266.40 in 1971.

Because the general accounting records are incomplete for the years covered by this examination, we are unable to express an opinion as to the fairness of the financial condition stated in these Exhibits.

TREASURER

Classified Statements of Receipts and Expenditures: (Exhibits B-1, B-2 and B-3)

Classified Statements of receipts and expenditures for the fiscal years

ended December 31, 1969, December 31, 1970 and December 31, 1971, are presented in Exhibits B-1, B-2 and B-3

GENERAL COMMENTS

We again direct your attention to the lack of accounting controls which have existed for a number of years.

1. General ledger accounts have not been posted since the fiscal year 1963. Likewise, property and equipment accounts have not been updated during this period.
2. Proceeds of bonds sold in 1968 are still commingled with general fund cash, and on various occasions have been used to defray current maintenance charges, or for the purchase of equipment having a limited useful life.
3. There exists a high rate of delinquency in outstanding accounts receivable.
4. Inventories of materials and supplies on hand are not kept.

RECOMMENDATIONS

To correct the deficiencies noted above, we again recommend the following:

1. The general ledger accounts should be brought up to date at once and posted currently each month.
2. Unexpended bond proceeds should be transferred to a separate checking account for administration and control. This procedure is required by the provisions of the Municipal Finance Act (R. S. A. Chapter 33).
3. Appropriate action should be taken to enforce collection of delinquent water rents receivable. The policy of turning off water service to delinquent customers is the most effective method of reducing delinquency in the accounts.
4. The books should be kept on the accrual basis of accounting, in a manner consistent with that prescribed for utility operations. This method of accounting requires that all financial transactions affecting the financial position or the results of operations be recorded when they occur. Consequently, the existence of inventories must be recognized, provisions must be made for recording annual depreciation expense, and unpaid liabilities must be recorded when incurred.

Conclusion:

The provisions of Section 27-a, Chapter 71, of the Revised Statutes Annotated, require that the auditors summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this report is optional. This letter, however, must be published in its entirety.

We extend our thanks to the officials and office staff of the Meredith Water Department for their assistance during the course of the audit.

Very truly yours,

FREDERICK E. LAPLANTE

Director

Division of Municipal Accounting
State Tax Commission

Report of Lakes Region Association

The Lakes Region Association What It Does For You And Your Town

As the Lakes Region Association enters its thirty-seventh year of service to the thirty-nine towns and three cities it represents, we face the annual task of appeal to our communities for support of their association. Regional cooperation in economic development as practiced by the Regional Associations in New Hampshire, was once most unique, but now several other states have watched the fruits of our efforts and have adopted a similar program for their state. We present herewith our request for your consideration in the preparation of your town's 1973 Budget.

Your Association becomes the catalyst in coordinating action between the state agencies and the local communities, so that the greatest benefits from research, planning, development and promotion can all be realized in our Region.

Never before has the need been greater to combine funds to get the greatest return for all. Through the Region program your community finds its spokesman, to the interested visitor, who wishes more information on our Region.

Our office services approximately ten thousand letters, each year on this area. Most of our small towns do not have chambers of commerce, and we willingly handle all letters passed on to us by local Selectmen's offices.

For the past three years much of our time has been spent working with Regional Planning Commissions, as both of our efforts are united for the good of the Region. Our efforts do not overlap, for there are many areas that are in their province and many that they do not cover, that we carry the ball on.

The Lakes Region Association is vitally concerned with every aspect of regional development, concentrating on those problems which are likely to affect the orderly growth and development of one or more of our municipalities. The Regional Association is acutely conscious of the necessity to preserve the unspoiled beauty of our rural towns and protect the amenities of life for which our Region is justly proud.

By your towns proportionate share towards the operation of our office, you have an agent that is working, year round for your needs. Involved in the Region's interest on all points from Natural Resources, highways, community planning, historical sights, as well as publicity and promotion.

You will note that the formula, set long ago when the associations were first formed, is 1-100th of 1 percent of each town's equalized valuation. Today for those towns that have been revalued recently we use a formula of 1-2,000th of 1 percent, which brings it to a more fair figure for each town. However, in either case this is a small amount for each town's share.

We hope your town will vote favorably upon this article.

Respectfully submitted,
Mildred A. Beach,
Executive Secretary
The Lakes Region Association
Wolfeboro, N. H. 03894

Report of the Town Nurse — 1972

The Meredith Public Health Nursing Association is governed by its presiding officers, board of directors, and consultants, who are the local Physicians and the Town Manager.

Our meetings are held on a monthly basis, with nurse's and other reports read. Decisions relative to all operations of the Association must have the full approval of our Boards, and includes the duties of the nurse. Night and emergency calls as requested by the Physician in charge are promptly made, the seriously ill have priority, but all calls are made within 24 hours.

There were less house visits made this year, but we had some very hard and interesting cases. The physical therapist continues to make weekly visits, giving the family instructions on how to carry on the treatment.

Our membership drive netted over \$500.00. Any individual who donates \$1.00 or more is a member of our Association, and is welcome to attend any of our monthly meetings and take part in this community service.

All Home Health Agency meetings and workshops are attended by the nurse and members of the board.

Our service clubs, as well as individuals, do a fine job with donations of money, food, fruit baskets, clothing, boots, shoes, mittens, and it is greatly appreciated by those receiving them.

Our project this year was to make more people aware of our services and all hospitalized patients received this information upon their discharge.

On August 9, 1973 this Association celebrates its 50th Anniversary of caring for the health needs of this community, and we are looking forward to continuing this service to all who may be in need of it.

Respectfully submitted,

Orilla A. Richards, R.N.

Meredith Civic Association Report

The Board of Directors held 10 regular meetings and one special Luncheon Meeting this year.

There were two membership meetings held. The Annual Fall Meeting was held at Hart's Turkey Farm Restaurant preceded by a dinner. At this meeting Ernest Cummings tendered his resignation as Treasurer. Clarence Thorne, Chairman of the Nominating Committee reported for nomination, William Moscardini, Jr. and Dorothy Forsberg for a first two-year term and Robert Kroupa and Maurice Gregoire for a second term. Mr. Bruce Sanderson was appointed by the Board as Treasurer to replace Mr. Cummings. There being no further nominations from the floor, the motion was made and seconded to accept this report and the Secretary to cast one vote.

The Speaker for the evening at this Fall Meeting was Charles Kahl, N. H. Representative for the National Federation of Industrial Businesses.

The Spring Meeting was in the form of a Dinner Dance held at the Waukegan Country Club and proved to be a huge success. Music was provided by Jim McMullin and his music from Portsmouth, N. H.

In March Douglas Beede resigned as a member of the Board due to pressure in business. Elisabeth Marden was appointed by the Board to replace Mr. Beede for the remainder of the year.

12,000 brochures were printed this year with few changes. These were distributed to resorts and places of interest throughout the White Mts., Rest Areas, Sport Shows, Fairs, Travel Bureaus in Nebraska, Penn., and Recreational Offices in N. Y., Mass. and Canada.

Clean-Up Week was again sponsored by the Civic Association. \$35.00 in prizes was awarded to school children for their posters which were displayed in store windows throughout the Town.

The Town voted the usual amount of \$1000.00 to the Association to help defray the expenses of the Information Booth and \$500.00 for fireworks display July 4th. All this was greatly appreciated by the Association.

The Association added \$500.00 and we had a very successful display of fireworks.

The Secretary answered 161 letters this year pertaining to inquiries about the Town in general and 86 letters inquiring about accommodations. Eight listings of these inquiries were sent to members who had cottages and motels to rent and who had supplied the Secretary with stamped self-addressed envelopes.

The Community Tree in Hesky Park was decorated at Christmas time as usual.

Information Booth Report

The Booth was open 79 days this year. The attendants were Hannah Cummings, Lucy Willard and Annette Hamilton.

6,740 cars and 19,561 people were serviced at the Booth. This was 288 cars and 343 people more than last year, though we were open 11 days less than 1971.

Flowers were planted in the window boxes at the Booth and at the Comfort Station. Mr. Gregoire once again donated a new flag and pole for the green in front of the Booth.

Respectfully submitted,

Hannah T. Cummings, Secretary

Meredith Fire Department

During the year 1972, the Fire Department answered a total of 71 alarms. There were 7 building fires, 3 trailer fires, 7 chimney fires, 5 electrical and oil burner fires, 13 car and tractor fires, 2 mattress fires, 1 grease fire, 1 ruptured gas line call, 1 snowmobile fire, 6 false alarms, 16 mutual aid calls and 9 miscellaneous calls.

The Fire Department has received delivery of six more home alerting devices in 1972, bringing the total up to twenty-six, for the use of your firefighters to respond to all fire calls.

During the year 1972, a mobile aid radio, on the Lakes Region Mutual Fire Aid frequency, was installed on Engine No. 1, so that we now have two trucks equipped with this frequency, the mobile set on Engine No. 3 having been installed in 1970.

In closing, again we wish to thank all employees and residents of the Town for all the assistance given us this past year.

Respectfully submitted,

SHERMAN B. CARTER
Chief

VERNAL C. BUCKLIN
1st Assistant Chief

JOHN W. BRYANT, JR.
2nd Assistant Chief

Report of the Forest Fire Warden and District Chief

Lest We Forget - It Can Happen Here

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs. Fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining. Except for commercial purposes.

Please be careful when using fires, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned — 1972 season:

STATE	410 — 361 acres burned
DISTRICT	36 fires — 10¼ acres burned
TOWN	4 fires — 1 acre burned

BRAD SPRAGUE

Forest Fire Warden

HERBERT C. HARTWELL JR.

District Fire Chief
